The Premises:

Excellent, certainly suits the purpose and discreet.

The Lady:

Mid twenties Swedish blonde, around a size 12, very pretty, busty and perfectly shaved. A very pretty looking pussy, a designer vagina!

The Story:

After I had a shower, Anika came in asked if I wanted a massage. I wasn't here to waste time, Anika got her pretty pink basque off stripping down to just her black hold ups and I was already hard. After a brief bit of play Anika asked how I wanted my oral I opted for covered and off she went to work whilst on all 4s whilst I admired her arse and perfect pussy. Her oral was excellent and included lots of ball licking/sucking, something a lot of WGs omit from a service. Anika was in no rush with this BJ and I could have come this way but I wanted to shag this beauty. Sex in missionary was good but sex in doggy was even better. She was well into it (acted or not it made it a better experience) and vocally egged me on to fuck her harder and demanded I come in her pussy (covered obviously) Afterwards she cleaned me up and chatted. She was previously at Barons (a horrible, expensive clinical place!) and somewhere in Liverpool but is hoping to start in Preston soon, that's better for me and I will be a guaranteed regular.

Another 5 star visit to Brooklyns.
