The Premises:

HOD in South Kensington, well described in numerous other FRs. A discreet town house on a moderately busy road. Well decorated and spacious with well-placed mirrors. This time I was in the front room with the en suite shower room.

The Lady:

Georgious - long dark hair, ample breasts, toned tummy, bootylicious backside and full, kissable lips. What's not to like!

The Story:

I was shown to the room and awaited Lara's arrival with bated breath. She did not disappoint. Straight into a welcoming clinch - lost of DFK before completing the paperwork. I took up the offer of a quick shower and Lara re-entered the room as I emerged from the shower. More DFK and groping, before she asked me to help her out of her lingerie. Onto the bed for DFK, followed by by her l/icking and sucking her way down to my cock. Lots of deep oral before I asked her to stop. I then returned the favour for a while. More DFK, the 69 before on with the condom for the main event. Once I'd cum, we had a a bit of mutual massage before Lara tried to get another erection out of me. Unfortunately unsuccessful, but, not to be deterred, I went back down south for more RO to bring Lara to a climax - very rewarding. More DFK, then off the the shower for me after which, Lara bade me a farewell with another helping of those lips.
