The Lady:

All three girls slept with had great bodies. A fourth there didn't, but she was a swinger not a working girl.

The Story:

You get what you pay - and I mean that in a good in case Pam ever reads this! Nowhere will you pay £70 and get to shag three women in an evening. NOWHERE! They were not aesthically as beautiful as some working girls but you'll pay £250 an hour for them. These girls are ordinary and down to earth and actually enjoy the sex with you.

For me the best was Tina who fucked me senseless and French kissed. One of the hottest fucks I've ever paid for.

You will sometimes want to pay a bit more for something else, but when you don't I would recommend highly this place.
