The Premises:

Upmarket hotel in Canary Wharf, although I believe Paris tours as well - naturally very safe and reception busy so no problems there (and none of those stupid lift or door cards required either)

The Lady:

Breathtakingly gorgeous!!!

Young, attractive, friendly and with a killer body that has to be seen to be believed - take my word for it (better still, go see for yourself).

The Story:

Paris met me at the door dressed in thigh high boots, black mini dress and perfect make-up - one very classy young lady.

Absolutely the best girl that I've ever had the good luck to meet (and I've met quite a few)- very enthusiastic, sexy, cheeky and confident - wow! Really good value for money if you want class at an affordable price!

Fantastic owo blowjob with lots of eye contact and cheeky winks, then sex in a number of positions, with Paris making all the right noises (natural I think, no acting), followed by a fantastic ending.

This guy will definitely be back for more soon!

Thanks Paris, you are one very hot babe!
