### The Story:

It's been many a year since i last visited an escort, and today was the day for my return. had been doing my homework over the Bank Holiday and Nicole was on the short list. gave her a call around midday and arranged to see her an hour later. she text me the postcode and asked me to ring when i was closeby for the Flat number.

A lovely girl opened the door wearing some nice peach lingerie, Navster was pleased with his choice. a quick hug and feel, before i dispensed with the paperwork and then the fun started. she kisses closed mouth, but it still felt good. slowly undressed her standing up and sucking on those lovely nipples, whilst playing with her fanny - so nice to feel a woman get wet naturally.

Things moved onto the bed, where i continued RO and eventually 69 and OW. I could have finished right there as her fanny is delicious and her ass is sublime, but i stopped the action as i wanted to try a few positions. Mish was good and i savoured her beneath me, kissing her mouth and tits as i did so. Nicole suggested doggy, and i was only to pleased to try it - the sight of her ass and back beneath me will stay with me for a long time, i just wish i could have lasted a bit longer, but as i say it's been a while and trigger is keen.

After a clean up i had a relaxing 10 minute massage from Nicole, and we talked like old friends, the conversation just flowed. 30 minutes up and i left with a parting hug and kiss. will i return? OHH YEAH!!!! ... a great find via PN reports.
