### The Premises:

Clean and comfortable.

### The Lady:

Lovely young lady. Not early twenties but perhaps late twenties or early thirties. Very soft skin and figure to die for.

### The Story:

Chatty and a mischievous smile. Lovely toned figure and fake but beautifully done breasts with very responsive nipples. Kissed beautifully but refused OWO. Also didn't seem too keen on oral on her. Sex was good – got very wet and think might have even cum once or twice.

Nice but lack of OWO and a certain lack of a spark means I probably won't return.
