The Lady:

Honestly much better than her pics on site if you like a petite shapely bum (know I do). This is very much "the girl next door"; god someone must live next to "Faye", & spent hours thinking how much he wants to fuck her, hey dude you can!

Slim lady with lovely firm natural tits, long black sweet smelling hair, tight sweet tasting pussy.

Faye is one desirable woman!!

Fishnets, suspenders, bra & panties all in matching black, with clingy short back dress..... bloody gorgeous

The Story:

Sometimes a graphic "blow by blow" (pun intended) is necessary to express how good, or bad, time has been experienced.

Not this time guys; if you want a really great "girl friend experience", with the lady described above, then go see her.

120 mile trip I took to see this lady, & I will do it again, great Shag!!
