### The Premises:

Lovely place, I felt relaxed and safe all of the time.

Nice and clean rooms.

### The Lady:

Sasha is a tall well built girl with the most striking looks. Her body is sexy with a full bust and shapely behind.

### The Story:

Lovely Sasha opened her hotel door and there I was looking at the most beautiful and sexy girl. She was much more impressive in the flesh than her photos. We had a nice relaxed getting to know each other chat, with our champagne, followed by a delightfully warming shower. Once on the bed Sasha slowly revealed the most enchanting fuchsia colour negligée and her sexy body. Then it was onto a journey of delights.

I kissed, sucked and stroked every part of her body – it was all so enchanting - from her toes to her ears. It all had me completely spellbound. Her nipples became erect at the merest touch and that was just the beginning. One part of her body was extremely ticklish and had her in fits of laughter – but that is for you to find out – all I will say is that there are two of them.

After enjoying all manner of different positions and Sasha's sensuous sucking and sexy massage I was invited to use her 'Cum Bucket'. As a result I delivered so much cum that Sasha thought I must have been saving it for a month or more!

If you haven't tried Sasha then you must...if you have.....then do it again. Thanks Sasha – I really enjoyed myself. Alan XXX
