### The Premises:

The locale was changed from a hotel as Lily couldn't check in early enough so moved to a small flat centrally located near regents street and oxford street, small but adequate

### The Lady:

First time with a Singaporean women and most definitely not my last, 5"9, long black hair, size 8, very attractive and a total sexpot. a cheeky attitude and demeanour that will put you at ease. C cup and very large nipples.

### The Story:

what can I say , other than I was blown away, after my last punt at the beginning of may I was a little peeved as it was one of worst - haven't done a write up yet - I decided to go back to what I really like, that being Asian women and boy am I happy I did. This was by far and away the best punt I have had in a very long time. This girl oozes sex appeal, tall, slim, dirty and hot all wrapped up in a tight little package. Lily is young, energetic and up for all, I have not sweated like that in a while, oral, reverse a, good old fucking, DFK, it was all available and given with gusto. I shall return and this time I will take up her offer of PVC and leather and I think she can be a lot kinkier. A real gem, if you enjoy the more energetic, full on approach, awesome and my favourite new comer this year, she's only been doing this 2 weeks. Maxes have a ripper on their hands.
