The Lady:

Beautiful dark haired mid 20s friendly girl. Great natural breasts and fantastic arse. She met me at the door in a pair of extremely high heels, stockings, a black and red bra and thongs. Just as requested and looking superb.

The Story:

After several disappointing punts in the area of recent I have to say that Chloe was everything I wanted and so much more. From the minute she opened the door she was warm, friendly and chatty. I wasn't asked what I wanted which I personally find very off putting. She seemed as happy as I was to go with the flow. After a brief chat about her recent trip to Amsterdam (which was funny and filthy) she let me know that after an interrupted play that morning she had been looking forward to our meeting, which set the mood...

Without writing an essay Chloe French kissed very passionately, her oral skills were perfection (I mean it) and I know that it's her job to make me think she enjoyed it but judging by how wet she was and by her reaction I really do think she did. I couldn't recommend her highly enough. Sky was very helpful on the phone and her recommendation was spot on. I am very tempted to visit both Anna and Chloe as soon as finances allow as she has promised me another fantastic time.
