The Premises:

A clean modern apartment within a Barratt Homes style block of flats in Frimley. Dead easy to find once you've received the directions.

The Lady:

Georgia is a very, very good looking young lady in her late teens/early 20s. Lovely eyes, a cute nose, very kissable lips, pearly white teeth ... all sitting on top of a proportionate slim figure and fabulous (enhanced) breasts.

The Story:

Gorgeous Georgia. It's really quite surprising that this girl hasn't had more field reports. She's young. She's beautiful. She's fit. She's friendly and down to Earth - I reckon she'd be great company on a night out. She's got a wonderfully sexy husky voice and isn't afraid to talk dirty. And last, but by no means least, she was eager to get down to it. What more could you ask for?

We started with some kissing before I moved on to explore some of her other erogenous zones culminating in me giving her reverse oral: delicious for me; orgasmic for her. After that.... Well you'll just have to use your imagination. (I've got enough respect for Georgia to keep those kind of details private.) Let's just say I had an absolutely fantastic time and I'm fairly sure Georgia did too.

After the 'main event' - to use a well worn PN euphemism - we had a nice chat and a cuddle. Georgia is dead easy to talk to as we whisked through a number of different topics, including why she's sometimes referred to as 'Gorgia' on the website. Apparently someone's trying make a play on words around the ideas of Gorgeous Georgia. I can certainly see where they're coming from.

Thoroughly recommended. But please treat her good because she deserves nothing less.
