### The Premises:

La Maison is well known locally as clean and safe place with good parking. The shower works well once you get the hang.

### The Lady:

Small - about 5'6" - slight in build - dress size 6 - 8 - dark hair and eyes, light brown skin, beautiful white teeth, completely shaven.

### The Story:

It was all quite straightforward, the usual shower followed by a gentle massage leading to oral without and reverse oral and then there was sex. Nothing unusual in the routine. What was unusual was the quality.

I went to LM which I know well on spec and picked Mia for her confident, friendly smile not knowing that I had hit the jackpot. If there was a quotient for sexual intelligence this lady would be up with the chess grandmasters. She deserves the Nobel Prize for sexual services. I have not had such an experience since 2004 and I have been punting regularly; this was what George Melly would call a kneetrembler and its effects lasted the rest of the day. Her routine was minimalist and her touch gentle, all delivered with skill, confidence and total commitment - she was enjoying herself. I am not going back in a hurry as I must savour the moment and luxuriate in the anticipation of the next meeting.
