The Lady:

Very attractive (in a girl next door sort of way) brunette, slim, enhanced breasts, totally shaved between the legs, it says 35 years old and 5 foot 7 on the website which seem about right

The Story:

Stephanie's naturally friendly manner on her arrival created a good first impression and I found myself warming to her increasingly as time went on.

While I was making polite chit chat to break the ice, she responded all of a sudden "do you want to kiss or do you want to chat?" with a glint in her eyes and a smile on her face. This broke the ice far more effectively than anything I could have said or done. The answer did not require words.

Girlfirend experiences don't come much more authentic. She provided all the usual services under this category plus a couple of others offered on a discretionary by most other ladies if at all. Particularly endearing was the way she winked at the me everytime she caught my eye.

One hour isn't enough with this lady.
