The Story:

I've seen Portia a couple of times now and i found the first visit was a sh!t service but i thought i'll give it another try later. Anyway a year later, the service is still SH#T, one of the most unsatisfying visits to a working girl.

Her owo was pathetic, no kissing (even though her profile says so), was rushed throughout and ended with her wanking me off and charged another £5 for the priviledge because she said a bit of cum went on her chin??

Pure con merchant. GFE could really do without girls like this who are purely in it for turnover. Left feeling very unsatisfied.
