### The Premises:

Executive Suite has spacious rooms and is OK, but falls well short of the standards of nearby Excell or Brooklyns. I was in the smaller middle room, which had an en-suite WC, but no TV and the shower didn't work.

The madam, "Bonnie", not only wants to see the colour of your money, she also demands £40 cash-in-hand before you meet the girls; and if you fail to choose one, the parlour returns only £30 and keeps £10 back! I can't see that being popular with seasoned punters!

### The Lady:

Two ladies were on: Megan, a petite blonde thirty-something who looked fun; but I chose Sienna, a rather beautiful half-Egyptian Scouser in her mid-20s who had been on the game for a year. Sienna has lovely dark hair, an olive complexion, and a really nice fully-shaved body. She was tall and exotic, rather like a belly-dancer! On the phone, she'd been portrayed as "very horny", so I was hoping for great things.

### The Story:

In short, I was disappointed. Described as "specialising to her discretion", anal was off the menu, and it was hard to see where any specialisms lay. Sienna kisses a little, but she seemed sexually unimaginative and I felt she wasn't trying. She didn't offer any oral, so we moved straight to covered missionary sex. She let out a few gasps that weren't entirely convincing. After a short while, I withdrew and finished off by hand, at which point I had to mop up while she dressed. She left after only 20 minutes. There was no shower, just a wash-hand basin without a plug.

I'm sure some punters will find Sienna an erotic dream come true, but I won't bother again; and given the parlour's cash-up-front policy, one wonders why one should choose this place over other classier parlours.
