Young reasonable figure nice chest and quite pretty, kept her glasses on throughout

The Story:

Well it had to happen one day a really bad punt, I had read on the website CIM at discretion, after I had paid the money oh I don't do oral because of clicking jaw, then told that the action would take place on the scruffy sofa. I selected this lady off the other site as it said she didn't smoke, wrong again, deep french kissing wrong again, shagging on the sofa is a thing of my younger days and you put up with some discomfort then, but not now. So she gets the old fella covered and says I like it doggy and gets on the floor, after piling on the lubricant cream that looked like E45, we then sat on the sofa and she fiddled around trying to get him resurrected but no joy, and the next thing she says I can come back for a freebie as I didn't use my time well we will see, somehow I doubt it
