The Story:

Opened the door and agreed 15min service just owo& cim.

Jasmine was wearing a thin tight blue dress , soon squeezed up against her squeezing her breasts and bum , then some french kissing as my cock hardened against her body, then she turned round , after more breast manipulation feeling the fabric of her dress slide around on top with my cock was pulsing against her bum , untied her dress from the back and slide it down over her firmish body , turned again to face me and some more french and fondling her large breasts, soon tried to get her to kneel down for the blow job but was unwilling , instead i lied on my back as she rubbed her body all over me then kissed me from my neck down , eventually licking my balls and taking my solid cock into her mouth ,a great blow job followed with plenty of spit nice deep strokes and was happy to get a little encouragement with a firm hand on the back of her head, getting closer to orgasm asked to come over her face, immediately jumped up and lied on her back as sat astride her face her breasts pushed up against my thighs and wanked as she sucked on my fingers for a few minutes until till a violent orgasm, a couple of squirts over each cheek then the remainder oozing out around her mouth.

Sat there relishing the moment as my cum glisened on her face then massaged it into her cheeks and onto her lips as she lay there looking a little helpless.

May be back , fancy cumming deep in her mouth next time.

Recommended, happy to do as requested and pleasant enough although found her manner a little weird unsurprising if she has spent a significant part of her life in this role i suppose.
