The Premises:

An apartment block off the Edgware Road. Small but clean rooms (bathroom best described as basic). Shared with other working girls.

The Lady:

A very cute thai - very 'thai' - girl. Slim, well-formed, and with natural breasts and the largest nipples you've ever seen!

The Story:

A good session. Dior was attentive and sexy... started with the blow-job, wank and tea-bag combo, then onto conventional sex. First girl on top, then missionary then doggie. Sex with Dior was special because there was a wonderful effect of pussy-gape - every time I pulled my cock out of her pussy, it stayed gaping open, lovely and pink against her tanned skin. Very porn.

And, of course, the sight of Dior's rump up in the air merely stimulated me to aim for anal. A squirt of lube and in I went. A good session. I particularly liked Dior's moans as I thrust into her bowels, gasps as I pulled out and whimpers as I drove in and out. Dior caught onto what I wanted pretty fast, and it was just heaven to look at her pretty face as she looked back at me while I was bugging her.

A good, deep, robust session of sodomy with a beautiful girl.... topped off when she was on her knees in front of me, eye-contact, mouth open, tongue out and begging for my cum... which I just had to give her.
