The Story:

Greeted with a passionate kiss. A little chat and a sip of water before heading for the shower.

Post-shower she was lying on the bed seductively. More passionate french kissing and wandering hands. Terrific oral and had to stop her several times from taking me over the edge before succumbing and letting her swallow my first load.

Little chat before she started to stroke the little man, more oral before the condom was slipped on. Things seemed to slip naturally between cowgirl, mish, doggie before I finished with a second bout of cowgirl. Not sure if she came but she certainly enjoyed herself and was amazingly wet. A rather nice cuddle and kiss followed and after a few minutes started to stroke the little man again and following brief oral we were reverse cowgirl, spoons before finishing in mish. From the sounds, she came the second time just before I did. More cuddles and kisses before I asked for the bathroom to clean up.

Chat about London while I got dressed and a very passionate kiss goodbye will guarantee I will be back.
