The Story:

Arrived on time with clear directions. Welcomed at door by Lisa's personal assistant. (Lisa's confirmation text said pa which confused me briefly because I thought her father was going to let me in!) Lol! Shown upstairs to a well appointed lounge just off the bedroom. Lisa greeted me with a lingering kiss which immediately raised my blood pressure! Sat me down on the couch and quickly started to kiss me and nibble my neck and invited me to return the compliment. Parted with the paperwork, quick shower then into the bedroom where Lisa was pleasuring herself with a toy! From then on it was a mixture of sucking, licking, cowgirl (pussy and arse!) gushing over my chest, doggie (the best ever!!) couldn't hold back at that point, shot my load and filled up the condom! Massage, (Lisa is excellent at that) rimming me (WOW!) small talk, more lovely oral but, try as she may, I was totally spent! Lovely, attentive lady with a great personality!
