Stunning Latina brunette. Amazing natural figure. Bit taller than pics suggest.

### The Story:

I haven't posted in a while but this punt made me want to comment.

Originally booked for an hour but due to my own fault being a 10 mins late I asked for 45 mins. Unfortunately this was met by Lara with a disgruntled face and attitude. She stopped the niceness on entry and began to get angry and repeatedly comment how she lost money. I would have walked there and then but I had showered in their bathroom so tried to make the best out of the situation.

The first pop was forced on her part. She was still angry and tried to rush my cum. After I came a tried to lighten her mood by making her laugh and removing the tension. Luckily this worked and she put more effort in for the 2nd round. But still she continued to mention I lost her money.

The girl has some skills but the fact she went on and on about the 15 mins bothered me enough to post on here. I'm paying my money to have a good time I don't want to hear any whinging. For that reason I cannot give a positive review.
