The Premises:

My apartment: well appointed, discreet and stylish with fabulous views of the city. Somehow, a serviced apartment enabled a more relaxed time: we had complete privacy and kept ourselves well supplied with food and drink.

The Lady:

Physically, Danni and Roxanne are beautifully matched: Danni is dark haired and blue eyed; Roxanne blonde with fair skin.

The Story:

What better way to celebrate a significant birthday than to spend two hours with Danni and Roxanne? This was the third time we had met, although Danni and I have met more frequently.

Although this meeting took place as part of a longer booking with Danni, the two hours for which Roxanne joined us simply flew by but with no sense of rush. There was plenty of time for us to play all three together, then in pairs while one of us took a break and watched (or brought some refreshments to keep our strength up). A small recent discovery for me has been finding that being watched (and cheered on from the sidelines) is highly erotic and pleasurable.

Danni and Roxanne complement each other in bed as well as physically: Roxanne is fabulously energetic and inventive while Danni is more sensual and gentle. Roxanne vocalises her pleasure loudly, Danni more softly but both are responsive and equally eager to please.
