The Premises:

Usual safe and sound location.

The Lady:

Tall, well tanned, fit as fuck babe with an awesome rear.

The Story:

Oral was very good which is just as well cos I was too big to gat balls deep in her tight pussy. After trying a couple of positions I could only really tip fuck her so opted for a HJ and CIM finish which I thoroughly enjoyed. I liked her comment about sticking to Asian guys with smaller dicks! If she could have taken me deeply I would return plenty of times for sure. Still recommended although a touch disappointed.
