The Premises:

Nice flat in common escort block near Queensway station.

The Lady:

A lot bigger than pictures and not as pretty. Could have been her on a good day.

The Story:

Called and asked for feedback on Bessy. None available but told she was popular so booked up. I also asked that she be in dress only and to act the slut including snogging me on entry to flat. Neither of these acted on but nevertheless offered shower.

Coming out of shower I found her on bed. Joined her for 2 seconds of kissing before she moved to oral. Too light to have any effect despite my requests - she then wanted to use some toys, leading to my having to prompt her to resume oral.

Final straw was, on starting 69, her immediate "no" on my first attempted lick.

Made my protests and left. Pleasant girl but not sexy or sexual.
