The Premises:

One of the usual premises used close to Centre MK with plenty of parking at 30p per hour. Very clean place with lots of fresh towels, clean bedding and loose women.

The Lady:

Platinum Blonde, very busty, posh totty, porn star. Pretty face and a very sexy voice that could make you do anything she wanted, all draped in black lingerie & incredibly high heels. Wicked sense of humour.

The Story:

On a mission to try all the busty blondes at Annabellas and booked up pdq when I spotted Honey on the rota for Thursday. Greeted with a tongue down my throat, a squeeze of my balls and a casual bend over the bed to show off her lovely arse which just had to be licked. Admin sorted and Honey briefly left the room with the clear instructions for me to be naked and ready to fuck when she returned. Who I am to question a lady!

Honey returned and I delighted in removing her skimpiers before going to work on her pussy which soon got very wet and was thrust into me hard as she got wetter and wetter before letting out a few well timed expletives and collapsing on the bed. More DFK and fondling before a prolonged session of owo with ball and shaft licking before a full load was dispatched into Honey's mouth. A clean up all round and a chat and before I knew it Honey's magic hands had brought the old chap back to life. Some vigorous sex in mish and doggie before off with the rubber and a second load expertly taken in the mouth. Some more chat about punting before off into MK with a huge smile on my face and an empty sack. Will certainly be seeing more of Honey soon.
