The Premises:

Well known in town centre and welcoming and unstuffy as usual.

The Lady:

Symone is an early 20s dark-haired BBW with a very big and firm bust.

The Story:

I had seen Symone around the place since she joined Sirens and a day when she was on alone for a shift seemed like the ideal time to get to know her better.

Good move on my part.

Symone is a true BBW and probably not my usual sort to choose.

But I found her a friendly, obliging and elegant partner.

We had an initial cuddle that is my preferred start and while kissing is an extra I enjoyed it and found this the perfect start to our time while we also chatted freely from the off.

I then took time to get to know Symone's body and again I was surprised to find just how much I took to her shape and of course enjoyed time spent on her HH breasts.

Then oral followed before prolonged sex in different positions.

I am not saying I will now seek out BBW escorts but I really enjoyed my time with this one and will happily return for more.
