The Premises:

Been here before but had to get reminded of where to go. Very easy to get to. 5 minutes walk from Warwick Avenue tube station. Felt safe the whole time, people coming and going all the time so didn't feel out of place. The flat itself was clean and well presented. The lady who answered the door (I didn't get her name) was polite and friendly.

The Lady:

Beautiful. Shapely, sexy. Angelica is as good as her pictures. HOD always seems to get the best ladies, but not only was she very sexy, but she had an amazing personality.

The Story:

This was a short notice visit. Both Angelica and Pixie were working, I've seen Pixie before, (see prev report) but Angelica was free, so glad she was! She came in dressed (well sort of ;-) in red lingerie, looking fantastic. we kissed for a while then sorted the paper work. then got down to business. I won't go into detail but she is very good with her mouth and hands! never actually got round to sex but in my opinion thats not always needed. HOD continues to astound me with the ladies they have and the price is amazing. I travelled an hour each way just to go there for 30 mins, that goes to show how much its worth going.

Thank you HOD, and a BIG thank you to Angelica!
