### The Story:

I had seen Kelly once before in a duo with Julia. This time I decided to see her on her own. She was dressed as requested as a sexy secretary with her beautiful breasts struggling to break free of her white blouse. She had stockings and sexy underwear on too. Over the next hour we had an incredibly passionate time together working up quite a sweat in the process! Amongst a hatful of memories, my favourite will be the sight of her bent over the bed, facing the mirror as I licked her out – she tasted incredible.

Kelly is an absolute star and a must-see.
