The Premises:

Owing to work and financial constraints not had a 'punt' for a few months. Time on my hands so looked on site and booked for the lady working at the One2One Hatfield flat as just down road for me. Arrived for 11am, phoned receptionist to be told lady had not felt well and had gone home. One of the benefits of using an agency with a number of locations is that I was able to transfer my booking to another flat a few miles away in St Albans, safe, clean and familiar to me.

The Lady:

Anna is much as described on the web site. A beautiful willowy blonde with a fantastic pair of tits, nice 'all over' tan and an enchanting accent to her excellent English, she is Czech.

The Story:

Offered shower and a drink, nice touch with One2One as not considered part of 'booked' time. Anna seemed quite shy to start with, very becoming. This disappeared quickly once we got naked and she commenced by giving me an excellent massage paying attention to my balls which certainly brought my cock to attention! Switched to me giving her oral which seemed well received and then back to me with deft condom application although plenty of tongue action around balls meant even 'covered' her oral technique was most stimulating. She then mounted me for a vigorous 'cowgirl' interspersed with some FK. We then swapped to mish which brought on my 'happy ending' with 10 minutes of time remaining so I gave her a massage and we had a nice relaxed chat to finish off. A substitute this time, Anna will be first choice on another visit.
