The Premises:

Close to Anerley station, on bus routes and with parking nearby. Safe basement flat with front and discrete rear entrance. Clean and updated, with two service rooms. The original room now has red furnishings, a wrought iron bedstead (mind your toes!), poor quality video and the same great mirror wall. The original lounge is now equipped with the old circular bed (for when there are two girls on duty) with TV and video available. The shower has also been refurbished. A friendly maid offers drinks before and after.

The Lady:

Chloe has a beautiful face, sparkling eyes and a very welcoming smile, shortish natural blond hair, a figure of eight body with full firm tits, a neatly-shaved pussy and great legs. She was dressed in a black and red baby doll set with high-heeled shoes – absolutely beautiful. Website photos are obviously accurate and the reality is even better. About 5' 6" without the heels and probably in her mid-twenties, Chloe's welcome was full-on and she gives a very enthusiastic, no rush GFE from start to finish.

The Story:

Deep French kissing was all part of the welcome and we went straight on to the House Special where we were soon slipping and sliding over one another while continuing to kiss and lather each other in all the sexy spots. It was obvious the Chloe loves being kissed, licked and nibbled in all the strategic places, so it was back to the room for more FK and then I was able to explore her voluptuous body. Tongueing her clit produced several climaxes and then it was my turn to enjoy her fantastic OWO, among the best I have ever had. Chloe followed up with a covered cowgirl allowing me to enjoy her tits and then doggy in the mirror, with an oral finish, superb! We relaxed with some friendly cuddling, more FK and conversation before a clean up and the final kiss goodbye. A really satisfying GFE with a girl who clearly enjoys every part of her job and who ensures her clients have just as much pleasure.
