The Premises:

Beautifully appointed house in quiet safe residential area. Parking close by.

The Lady:

As her profile suggests, under 5' tall. slim, attractive sexy lady. Dressed as we agreed in a schoolgirl outfit - with cane!

The Story:

Bonnie met me at the door dressed as agreed. Greeted me with a loving sexy kiss which immediately started my motor running. Led upstairs and offered a drink. Bonnie immediately went into role play and sat herself on / in my lap causing further arousal. The rest you can imagine, needless to say she expertly manipulated my male intentions with her shy schoolgirl act and we enjoyed a very full hour, and more, of adult playfulness. Bonnie is a fun lady so with my sense of humour we got on like a "house on fire"!

My second visit with Bonnie; as we have become acquainted we seem to be much more comfortable together, great for a "grey haired" oldie. Fully expect to visit again if she will have me! Did I mention how gorgeous she is? and a great lover!
