The Premises:

A flat in a residential area, felt very safe and the sun was shining.

The Lady:

A blond woman, photos on the other site are very accurate in particular of her pussy. She has a very fit body and small breasts. She was wearing my favourite jeans and shirt. Hard before I got up the stairs.

The Story:

Kim worked on my cock and balls whilst I licked her. She thrust back onto my tongue as I thrust my cock deep into her mouth. This 69 was spectacular and her fresh pussy, was first of the day, tasted great. I knew she was tight and putting on the condom I enjoyed the sight of this woman bouncing up and down on my cock. She is very tight and I shot a load into her waiting cunt captured by the durex of course. A short massage and chat followed by more oral and my spunk dribbled into my mouth. Kim is a sexy woman who many might describe as dirty. I loved every moment and the sun was still shining as I wandered home.
