The Premises:

Nice apartment as previously reported on by others. Neat, tidy & spacious. Easy safe free street parking right outside. Felt totally safe

The Lady:

As always, pictures are nowhere near as good as the lady herself is in the flesh: lovely face, and a curvy little figure (she's only about 5 ft 3) with a fantastic pair of natural boobs and a lovely pert bum. Nice legs too. Some ink but not too much & her skin felt soft, smooth & warm. Anna was also very cheerful with superb manners & a great attitude and just wanted to please me all the way through. Just what every man wants in a girl really

The Story:

Was greeted with a lovely warm kiss & the sight of her in a teddy that her boobs could hardly stay inside & with no knickers on. The old fella was awake in about 3/10 of a millisecond after seeing this vision! She offered me a drink & I got the paper out of the way straight away. She gave me a little tour of the place (which took all of five seconds) & then offered me a shower & gave me a towel when I accepted. After my shower, we moved to the bed where much kissing ensued & she started to work her way down to my already rock hard old chap & then delivered an absolutely top drawer owo & soon dispensed with all her clothes. It was lovely & slow & relaxing (how I had asked it to be). After a while of this I offered to give her a bit of oral, which she accepted with delight. She was clean shaven & tasted lovely & was nice and wet when I started. I think she came too, so I was quite chuffed with my technique. She certainly seemed happy with my tongue anyway! We then popped the old raincoat on & she dived on top & did a superb bit of cowgirl whilst I played with her superb tits. One word can describe this sight: awesome. I suggested we finish off in 69, so off came the hat & she expertly finished me off while I got another taste of her superb downstairs area. She even swallowed too (which is always a nice surprise). After that we had a nice chat about life & work & general stuff & then with another nice few kisses I was gone. She didn't clock watch at any time & the hour flew by. Treat this one with respect lads, because this girl could absolutely hold her own in any environment as she is obviously very intelligent but without any kind of ego or attitude & any man would be proud to walk into a room with her on his arm. A true tiny superstar. Grab her now before she gets fully booked. Thanks Sky.
