The Premises:

The modern, ground floor flat is located about a slow 10 minute walk from Wimbledon rail station. It is very discreet and it has shower facilities.

The Lady:

A slim, busty blonde girl from Romania who is very friendly. There was a second girl working called Monique who looked really attractive, but I opted for Maya because I fancied a busty girl.

The Story:

I was feeling a bit tired so I opted for a massage and hand relief. When Maya took her bra off, I was glad I chose her. They are a good D cup, soft and natural. She gave me a reasonable massage with oil and followed that with a brief O without session. She told me cim was not possible so I asked to give me a slow hand job. I finished the session by coming over her nipples.
