### The Premises:

First time at GFE but was really surprised how nice it is inside

### The Lady:

Danni walked into the room and looked amazing in a figure hugging outfit.  
This lady has an ass you could crack an egg on :)

### The Story:

Danni was really friendly, chatty and soon put me at ease with a light massage and some French kissing.

She went straight into OWO and then I returned the favour before we started to hump like rabbits.  
We went through a couple of positions before I finished off.

Danni knows how to treat a man, don't miss your chance :)
