The Premises:

Liana's flat is very welcoming ...nice , clean and cozy .

It is easy to find and very close to the stations .

Once in you get the lovely feel that you are safe and you will not be disturbed . Perfect location for whoever works in the area (like me !),

but also worth a visit for whoever comes from other areas .

The Lady:

Liana possess what I call the perfect bodyface combination : the face of an angel and the body of a sinner !

She is friendly , smiley and talkative.

Her body is tanned , toned and just....perfect !

Lovely firm boobs and gorgeous ass ! Playboy babe !!!!

The Story:

I enjoied myself so much I felt obliged to write this review .

We did absolutely EVERYTHING , no holes barred !

When she says she is experienced , she means it !

She also told me she can provide a threesome with another friend of her ...well, I can`t wait for that !
