The Story:

I can't believe this is Kandy's first review. Having seen her pictures on the website and being a boob man I was looking forward to this punt. When I get my hopes up in this was I am normally left disappointed. This was not the case with Kandy. I'm not going to graphic detail but my eyes were drawn to those massive HH Boobs but I can honestly say Kandy is more than just a great set of boobs. She knew how to please me and had a great personality. She is a very sexual being and I'm not ashamed to say on more than one occasion I asked her where she'd been all my life. Kandy I will be returning and that's a promise
