### The Premises:

A flat in Withywood, Bristol. Not the nicest area of Bristol, but felt reasonably safe at this time of day.

### The Lady:

Late twenties, ex street girl. Very friendly. Thin, some signs of scarring to her body from previous substance abuse. Smooth clean legs, nice pert breasts, great suckable nipples.

### The Story:

Found Katie through here. Had a good time. For £30 she will do anything sexual! Anal is very much on the cards, pleasing to see all penetrative sex is covered though. I didn't fuck her this time. She stripped and sucked my cock and licked my balls. She then masturbated herself for me - I then fingered her. We finished with her sucking me to completion - she swallowed the whole lot. For £30 this is cheap as chips - not exactly quality but you get what you pay for - if you need to cum then Katie will get you there cheaply.
