The Premises:

A block of flats just 5 minutes walk from Earls Court tube station. Very safe. The public areas are not brilliant, but clean. The flat was acceptable for the purpose, but she is sharing. However, she said she is moving this week to a nicer place nearby, which she can decorate and where she has a private bath/shower.

The Lady:

Spice is half Korean and half Thai, which in her case amounts to an amazingly beautiful combination. I am a portrait photographer and I kept thinking how I would like to take photos; her face is so lovely and her body is to die for. Much lighter skin than Thai girls and no tattoos. Probably the best package I've seen in a long while - better by far than some of the so-called star performers. (BTW, her English is quite acceptable.)

The Story:

Chris and Michael have come up with another winner! If this girl doesn't join the ranks of the stars, I'll be surprised. The dictionary defines SPICE as "an element providing interest and excitement"; in her case it is 100% accurate.

I like to see girls when they first arrive, before they develop the habits of treating each punter like he's on a conveyor belt. Some of the popular ones just go through the motions and you can almost hear them call out "Next customer" as you depart. Spice still has some of the shyness which I find endearing, but she is eager and willing to learn.

We started with an assisted shower, but a bath was also available if I preferred. Then we returned to the bedroom for some mild FK and she dropped to her knees and took me in her mouth. WOW! This girl gives excellent OWO, using her tongue deftly to arouse me to a minor frenzy. She ranks among the best I've had in this department. After we moved to the bed for some delightful 69, she put on the cap and I pounded her in a variety of positions before switching to anal and continuing. She is fresh and still tight in both departments. Her cowgirl (both holes) is a thrill to be experienced. I lost control and exploded, something I don't do often.

Time was running out, so we returned to the bath for a bit of watersports and a final rinse, after which I kissed her gently, but passionately, and departed into the night.

All in all, I was thrilled to discover such a superb performer in such a beautiful escort. She can only improve in the near term as she develops more experience, but I hope she retains the spontaneity I enjoyed so much. I shall return - for sure!
