The Premises:

Nice flat in a secure and discrete block. Place was clean and neatly presented. Very safe area. Plenty of options for public transport.

The Lady:

Kerry is a very beautiful, tall lady (I would guess 5'10). She has a slim figure and very nicely proportioned boobs and arse. It is quite difficult to resist from 'getting straight in there' but a little patience will be well rewarded!

The Story:

Kerry asked what I enjoyed and was eager to understand how we could make the session as pleasurable as possible. Although from central Europe it is clear she has lived here for a while and speaks perfect English so you can relate very intimately so great communications. She all has a lovely sense of humour and warm personality.

I asked for a girlfriend experience and we started with some gentle caressing and kissing. This got us both very hot indeed. Kerry then slowly moved down my body, attending to every sensitive area before proceeding to give me an amazing BJ. I couldn't hold on much longer and reciprocated almost her every move. Her pussy tasted very sweet and smelled wonderful. I also gently rimmed her in between.

Eventually on with the condom and we had sex in just about every position! Kerry was up for it all! She was completely authentic and the knowledge of mutual pleasure being experienced just made the whole session so unbelievably erotic.

I will be seeing this beauty regularly!
