The Premises:

Poppy stays in one of the kensington hotels, a busy place so not trouble getting to her room, this is again a late report, as i saw Poppy earlier this year.
the room was huge and clean with a great bed.

The Lady:

Poppy is as her photos show, but what they dont show is her is her personality and energy, she is dynamic, and talks dirty. she is a breath of fresh air to enjoy your time with.

The Story:

as is usual with my appointments this was a late night visit, and Poppy was full of beans, she is pretty open minded and will do most things, i was worn out by her, and i loved it.

as usual Max has chosen another good Angel
