The Premises:

Angels is in a discreet location near Chester Rail Station. The rooms were clean and spacious.

The Lady:

Jamie is a size 12, about medium height with long blonde hair, beautiful eyes, big soft breasts, sexy arse and a body you could cuddle all day.

The Story:

It was a beautiful, sexy and horny meeting which involved massage, reverse oral and sex in various positions. Jamie is a delightful person to spend time with and she seemed to enjoy my company. I have seen her a few times before where I have enjoyed a prostate massage and experienced a tie and tease session which she is very good at performing. I hope to see her again asap to enjoy her delights.
