The Premises:

lovely flat which is clean and well presented. Nice rooms with good beds!

The Lady:

South African beauty who says she is 31 yrs but looks and behaves much younger, i thought she was around 24 or 25. She has the most gorgeous eyes and cheeky look, nice body but I'm a sucker for the eyes as they tell so much about a lady's personality ... Adele's eyes show how beautiful she is inside and out.

The Story:

10/10, I started with a plan to stay for only 30 mins but upgraded to 1 hour as we got going as she kept me on the edge ... surfin' ... for the best part of the hour. She began with a slow and passionate kiss which had me rising nicely. On to a blow job which lasted for the next 30 mins in between kissing and a short period of doggy. She asked me if I liked snowballing and I said I'd never tried it; she brought me sooo close to cuming that I provided enough of 'me' for her to snowball me which was a real turn on ... she looked deeply into my eyes and approached for a slow kiss, I almost came for good as she rolled her tongue around my mouth with her eyes open and laughing. throughout she'd been playing with my nipples which I love and finally I came into her beautiful mouth with her squeezing my nipples hard and staring into my eyes.
