The Premises:

Lots of people passing by but I didn't mind. They have taken down their sign but the building number is still up.

It was busy with one guy waiting and another guy ready to go with a English blonde. The other two girls were busy.

The Lady:

Hong Kong Chinese. Slim, petite about 5ft and probably a b cup with beautiful black hair. Just my type for the day.

The Story:

The maid said I would be waiting 15 minutes. Lets say they were busy for a Saturday! The next girl was a Spanish brunette but I waited for Ling Ling.

In the room I had to asked for time to shower because she was raring to go. The obligatory massage followed and she was responsive when we got down to it. Oral was alright and sex was in mish. She didn't use any lubricant which I expect at this establishment.

Massage to finish though time was up followed by a knock on the door. She waved me off with 4 guys waiting and the maid handling the situation well.

If you don't mind waiting with other guys and good vanilla service then see Ling Ling. I left at 17:15 the service lasted 30 mins I think!
