### The Premises:

Just 3 minutes from M40 Exit 3. Clean modern ground-floor flat, with free parking very close by. Good quality area on a main road. Vanessa presses the door release as you approach the block so there is no hanging about on the doorstep waiting to be let in.

### The Lady:

In a word (or three) drop-dead gorgeous! Vanessa is blonde, tall and slim with a lovely body, beautiful breasts, a very pretty face that is wreathed in smiles. I can get a stiffy just texting her! Her website photos are accurate but, for my taste, a bit too stylised. Her private gallery, though not showing as much nudity and wank-fodder as some, gives a much better impression of the real Vanessa.

### The Story:

I have been a regular for some time now as she is exactly the sort of girl I have enjoyed punting with in my 30+ years of enjoying this activity, so this FR relates to my latest visit. As I was buzzed in through the front door of the block, her flat door swung open to welcome me. I walked in ... no-one to be seen! Then from behind the closing door this lovely woman appeared with a welcoming smile on her face, clad in a skimpy bra and panties set (I hate basques!) and led me into the bedroom. After a short chat, she offered me a massage, which I accepted because my back was aching from too much golf. This was well carried out with attention to the parts that ached most but gradually became more sensuous and bringing in my less achy but more sensitive bits! Then she removed her few tiny garments and lay down beside me for a nice kiss and cuddle with some enjoyable tongue involvement before I kissed my way down via her lovely breasts to her very pretty shaven pussy for a nice session of reverse oral which we both thoroughly enjoyed. On this occasion she did not cum; she sometimes does and sometimes doesn't but she doesn't fake it. Then it was my turn and I lay back while she gave me a really nice BBBJ with plenty of attention to my (shaven) scrotum. All too soon, I was ready to pop and she deftly put on the condom with her mouth before mounting me as I lay back and enjoyed the sight, as well as the feel, of this lovely woman bouncing up and down on me. From there to a nice bit of doggy and a finish in mish, followed by more kissing, cuddling and chat until my time was up. I can only come once in a session, as she knows, so there was no pressure to try to squeeze two into a single hour. Vanessa does everything that is included in her "Likes" list and nothing that isn't, so if you are looking for A or CIM you should look elsewhere but her services cover everything that I am looking for and do so superbly. Her English is

excellent and on another occasion we had a dinner date with plenty of conversation, which was a great evening. I can confirm that she is Spanish and not Romanian, though she has failed to persuade the Purple Site of this as she does not want to produce her passport to them. But, hey, who cares?
