The Story:

Mia is new to the business and a great asset. Was really pleased when I found out she was available. I would defo see her again. Great cowgirl, doggie and mish - it couldn't be bad fucking such a beautiful young woman. Her OW was ok, I prefer OWO, and I think as she gets more experiences the oral will get even better. I think more stroking, more ball action would make Mia an exceptional talent. Great body, fantastic young pert breasts but I think she needs to be more active at revealing her beautiful body. She did some great handwork and I finished with a wank as she stroked me. All in all, a great way to end a hot Sunday. I look forward to more time with Mia.
