The Premises:

Met at my house rather than her place.

The Lady:

Nice curvy girl, small breasts but i dont care for large breasts myself. Very nice smooth skin and pert bum.

The Story:

When she first walked into my house, i was greeted with a very sexy kiss. She was dressed very nicely with a very short skirt and high heels.

Spent some time talking to her then headed upstairs to get more comfy. This girl can kiss and kiss very well, felt like she was my girlfriend rather than a stranger. Gave excellent OWO, got me ready to penetrate her. Slipped the condom on and away we went, did plenty of positions including doggy which she loved and came numerous times.

She is an angel, very good at her services. i have absolutely no complaints about our 2 hrs together. Just a shame they went by so quickly.

Definitely a keeper and will be seeing her again for much longer next time.
