### The Story:

I've only very rarely had anything other than a top-class experience at GFE and this was another. I've met Tori elsewhere and when I saw her on the rota didn't waste any time making the trip to Sheffield.

After a short wait, she took me upstairs and we immediately kissed passionately. OWO, 69 and sex were superb, but the very best part for me was tasting her, kissing her neck and those gorgeous porno tits. She is so responsive and her accent drives me wild.

You won't mind a more natural wg than Tori, it really doesn't feel like punting with her. More a random horny session with the girl next door. She's great company too and I'd guess just as natural with a newbie. Treat her well guys.
