### The Premises:

Annabellas... I think that says it all.

### The Lady:

In a word... Gorgeous!  
Slim with a delectable body and as I said to Kelly I knew she would be pretty but I wasn't expecting so pretty!

### The Story:

Kelly's first day and having looked at her pics I decided to take advantage of the happy hour mentioned on their twitter page so late lunch it was.  
Quick shower when I arrived and I waited for Kelly to enter the room. When she did all I could say was 'wow'!  
Money exchanged and she begun kissing like a gorgeous young girlfriend. The whole experience followed this path from undressing to the (covered) oral and main event which she genuinely seemed to enjoy as much as I did.  
After I came she cleaned me up and we kissed and cuddled while I tried to come up with excuses to be late back to work so I could extend our meeting.  
Unfortunately reality snuck in and I had to get dressed but there was no rush.  
As I said when I left, I will hopefully see you again very soon Kelly!
