### The Premises:

Lily is currently based in a familiar block in South Kensington. Her room is quite compact but the bed was large and comfy. She told me she is hoping to move to a more spacious apartment in the near future.

### The Lady:

Wow! I would estimate that Lily is mid to late twenties and she is very statuesque with a trim body and full breasts with lovely large nipples.

### The Story:

Lily welcomed me with a kiss at the door wearing black lingerie, stockings and heels as requested. (Was pleased to note she was wearing black nylons and not fishnets, as this often gets lost in translation.) She looked amazing, nearly my height (6 ft) in her heels, with a well proportioned figure to match. I was immediately offered a cold beer and had a friendly chat as Lily took care of the formalities.

After a shower to freshen up Lily asked what I would like to do, and was also courteous to ask if I would prefer for her to tie her long hair back, or keep it down (a nice touch - I always prefer free flowing hair, even if it gets in the way sometimes). Naked, Lily is trimmed rather than shaved, and she has beautifully sized breasts with large nipples - some have said enhanced but I'm sure they are all natural.

Lily's profile lists her as being a self-confessed nympho who enjoys CIM and A levels. She certainly has a confident, playful manner to her and all services were offered without question - plenty of DFK, DATY, OWO (great technique, with lots of spitting) to a CIM finish, then later sex in a couple of positions, some anal play and more OWO.

Lily certainly gave me the impression that she enjoys what she does, although she admits she prefers the more GFE type encounters. She speaks good English and is clearly a very intelligent lady; as great as the sex was, she was very engaging company too. Highly recommended.
